R-SERIES

- Walker Magnets are now available with Radcomm's Cricket radiation detection system
- Find sources other systems may miss
- Get closer to the source
- Scan longer
- Internal self test compatibility

SPECIFICATIONS							LIFTING CAPACITY (lbs.)		
Model	Dia.	Approx. wt. (lbs.)	D.C. Voltage	Amps (cold)	KW Req.	Minimum Cable Size	#1 Heavy Melting	#2 Heavy Melting	Steel Turnings
